Welcome, colorer!

Take a break, breathe, and fill these pages with your favorite colors. Inside you'll find 12 hand-drawn designs of dogs, cats, and small companions — from a snoozing Labrador to a peaceful paw-print mandala.

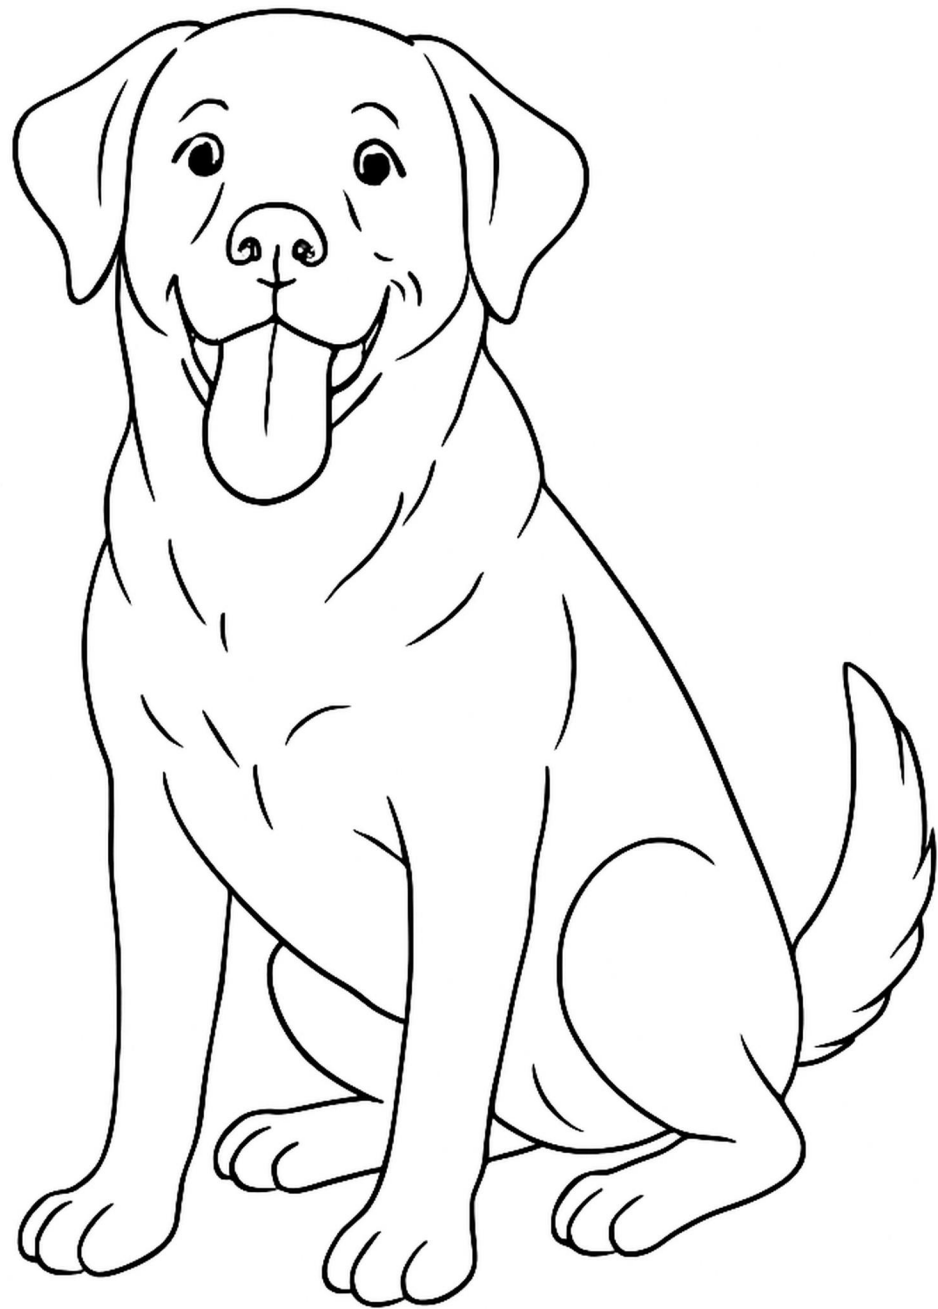

Every design is printed on a **single-sided page**, so you can use markers, gel pens, or colored pencils without worrying about bleed-through onto the next picture.

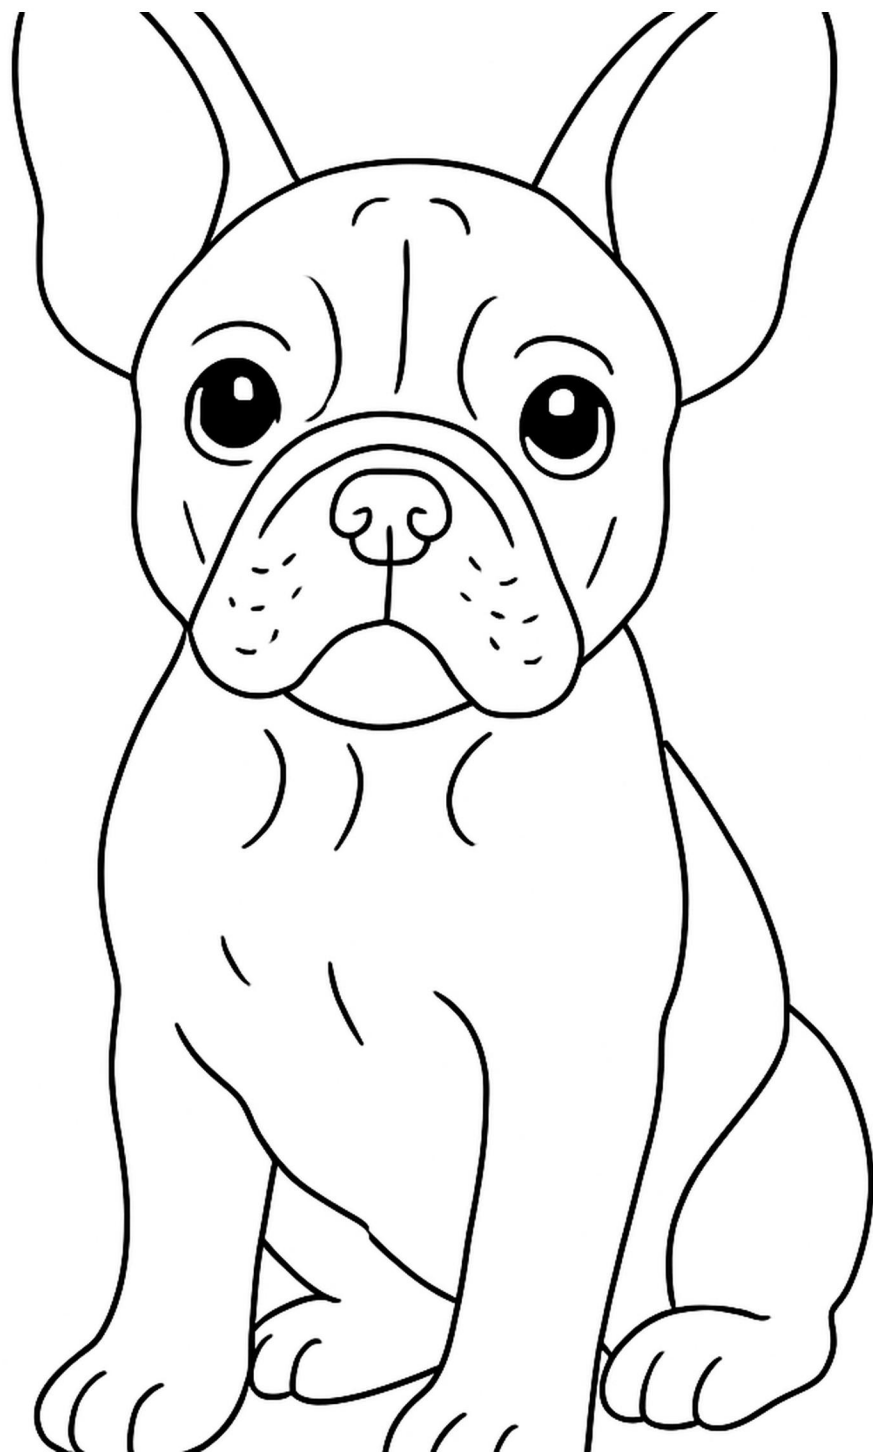

Three little tips

- 🐾 Press lightly to start, then build up color in layers.
- 🐾 Try a two- or three-color palette for a modern, gallery look.
- 🐾 Tear out your favorite page and frame it — it's art now.

Happy coloring!
